**COALITION TO HONOR COUNTY BOARD FOR
PRESERVING SAFETY NET SERVICES**

Milwaukee, WI – Milwaukee County Board Chairwoman Marina Dimitrijevic will be on hand as the Make it Work Milwaukee Coalition hosts a special reception Monday to honor her and recognize the work of the County Board in strengthening health and human services in Milwaukee County.

The event serves as a welcome for the new County Board of Supervisors and includes remarks from Chairwoman Dimitrijevic, who recently completed eight years on the Milwaukee County Commission on Aging.

“I am proud to advance policies and services that support the independence and quality of life for people with disabilities and older adults. For many people, Milwaukee County provides the safety net they need to live with fulfillment and dignity,” Chairwoman Dimitrijevic said. “Year after year, budget after budget, it has been the County Board that has stood up for those in need by restoring critical funding after misguided cuts were made.”
